

Broken

by Korin Dushayl

Some things can never be fixed.

Given a choice between slavery and ostracization, Jessica chooses to kneel naked before her department head so she can continue studying for her PhD in psychology. That decision takes her down a dark path to abuse, exploitation, and torment of both her body and her spirit.

Korin touches upon darkness that many of us hold within ourselves and the inner core that can be broken and rebuilt. She brought out the things that we will do and go through in order to achieve our life goals.

Korin Dushayl "writes with authority and compassion about those who live within the lifestyle. Broken and Shattered explore issues including finding and initiating a submissive partner, informed consent and the difference between dominating someone and exploiting their needs."
