Shattered

by Korin Dushayl

Just where do you cross
the point of no return?

When a sweet, intelligent twenty-five year old with undiagnosed Asperger and PTSD seeks help from a ruthless, unscrupulous, sadistic therapist, she shatters his psyche and throws him into a suicidal depression.

Her crude attempt to pick up the pieces -- enslaving him and subjecting him to unethical, unsanctioned, experiments — ignores the lines of consent and the responsibilities of a Dominant. (Inspired by a true story.)

"If art is meant to disturb, to reach out and touch an individual on a visceral level, then [Korin Dushayl] did so for this reader. Not an easy accomplishment, for I have layers of scars over those wounds. Read SHATTERED if you've a lion's heart. Live it if you dare."
